

REPORT TO WOULDHAM PARISH COUNCIL 9th January 2024

**By the Tonbridge and Malling Borough Councillors
for Aylesford North and North Downs Ward
Councillors Dave Davis Roger Dalton and Alex McDermott**

LAND AT ECCLES, EAST AND WEST OF BULL LANE ECCLES

Sadly, but as expected, the appeal concerning the building around Eccles that we know as Bushey Wood has been allowed.

This is an outline planning permission except for the roads which are now fixed.

As such more applications will come with more detail and opportunities to adjust aspects of the development.

The most effective way is working with the TMBC as the project develops. Early work is the most effective work.

If your Council have anything that should be considered please inform us ASAP.

AGILE

Planning has now moved over completely to AGILE some months ago. Work is still being done to complete the transition and we hope to have a fuller report for you on progress at your next meeting.

As always if you are aware of problems share them with us so we can feed back to the TMBC officers working on the issue.
